

## GENERAL PRIVACY POLICY

### Treatment of Personally Identifiable Information

We have a defined method of treating the personally identifiable information of our subscribers and/or members to the company with respect to any of the services provided.

1. Bosa Technologies Enterprises does not collect personally identifiable information about individuals except where such individuals specifically provide such information on a voluntary basis. For example, such personally identifiable information may be gathered from the application for subscription to a service.
2. Bosa Technologies Enterprises shall not transfer personally identifiable information on individual members to third parties who are not affiliated to Bosa Technologies Enterprises without the approval of the subscriber and/or member at the time of application.
3. Bosa Technologies Enterprises reserves the right to contact the member regarding appointment, Project Status, changes to Terms and Conditions and other matters relevant to the underlying services and/or information collected with regards to the Bosa Technologies Enterprises Products, Services and Offerings the subscriber and/or member has subscribed to.
4. Bosa Technologies Enterprises further reserves the right to perform statistical analysis of subscribers' and/or members' behavior and characteristics in order to measure interest in and use of various areas of the Bosa Technologies Enterprises Products, Services, Offerings and Internet Sites and to inform Advertisers of such information as well as the number of members that have been exposed to or clicked on the advertising banner if applicable.
5. Bosa Technologies Enterprises may sometimes permit third parties to offer subscription and/or registration based services through the Internet Site.
6. Bosa Technologies Enterprises will not be held responsible for any actions or policies of such third parties and subscribers and/or members should check the applicable Privacy Policy when providing Personally Identifiable Information to them.
7. Updates to Personally Identifiable Information shall be done via the Bosa Technologies Enterprises Website where an electronic process is required to
